# COVID-19 Business Compliance Plan

# Business Continuity Voucher

## About the Business Continuity Voucher

Businesses\*, employing up to 50 staff, are eligible to apply for a Business Continuity Voucher to the value of €2,500 towards third party consultancy costs to assist with developing short-term and long-term strategies to deal with the COVID-19 pandemic. The purpose of the voucher is to provide contingency planning advice to

assist businesses to continue trading through the crisis. The primary aim of the scheme will be to support companies make informed decisions on the immediate measures needed to continue trading in the current environment while securing the safety of all employees and future business viability through identification of remedial actions.

## The Business Continuity Voucher is available to support businesses:

- i) Develop business continuity plan
- ii) Assess current financial needs in the short term to medium term
- iii) Reduce variable costs, overheads and expenses,
- iv) Review and explore supply chain financing options
- v) Implement remote working processes or procedures
- vi) Leverage HR expertise
- vii) Leverage ICT expertise
- viii) Prepare a business case for application to emergency financial interventions available through Banks, SBCI and Microfinance Ireland.

*\* Please note: client companies of Enterprise Ireland, IDA or Údarás na Gaeltachta should contact their relevant agency, which have other suitable supports in place. This scheme is not suitable for clients of Enterprise Ireland, IDA or Údarás na Gaeltachta. This is a restricted scheme with ordinarily one voucher available per business.*

# Key COVID-19 Controls

## Help prevent coronavirus

Wash your hands

Cover mouth if coughing or sneezing

Avoid touching your face

Keep surfaces clean

Stop shaking hands and hugging

Keep a safe distance

The virus spreads in sneeze and cough droplets, so regularly taking the above measures helps reduce the chance of it spreading.

### Visit [HSE.ie](https://www.hse.ie)

For updated factual information and advice  
Or call 1850 24 1850

## Know the signs

High Temperature

Shortness of Breath

Breathing Difficulties

Cough

For 8 out of 10 people, rest and over the counter medication can help you feel better.

If you have symptoms, self-isolate to protect others and phone your GP. Visit [hse.ie](https://www.hse.ie) for updated factual information and advice or call 1850 24 1850.
